

Members of the Welsh Highland Railway Ltd – Russell needs you!

The Welsh Highland Railway's flagship locomotive, 2-6-2T Russell, built by Hunslet in 1906 for the PBSSR, will be leaving us shortly for the final stage its restoration at the workshops of Alan Keef & Co.

There's just one problem - well one hundred and twenty-five thousand problems really. The final bill for the completed locomotive will be around £125,000 and that's where you come in...

We currently have around 1000 members; if every member donated just £125.00 we would reach our target. In these times of austerity, rising fuel prices, and competition from other worthy appeals, £125.00 sounds like a lot. But is it?

If every member completed a standing order mandate and committed themselves to donate a mere £10.42 per month for twelve months we would reach our target. Or to put it another way, that's only £2.41 per week. So if all our members signed up, we would see Russell in steam in 2013 for less than the price of a pint per week!

And, if you sign the attached Gift Aid form, your donations become even more valuable to us.

The Russell Appeal is our top priority - please consider supporting it. If you can't commit to £125.00, any donation would be greatly appreciated. Of course if you are feeling generous and want to send more than £125.00, Russell will be very grateful!

Members, now is the time to support your railway and your locomotive –

Russell IS the Welsh Highland Railway.

Thank you!

RUSSELL DONATION FORM
