

WELCOME TO THE WHHR

You will be given a warm welcome at our Porthmadog (WHHR) Station. The railway's gift, book and model shop is extremely well-stocked, ideal for any enthusiast and children of all ages. Call into Russell's Cafe for some freshly prepared food and drink. Remember to purchase your 'All Day' ticket for a fascinating journey through history!

The train waiting will be formed of historic carriages and one of our diesel or historic steam locomotives. Once the doors have been closed, we are ready for departure. The guard will show the green flag and we set off on the short journey to our station at Pen y Mount Junction.

Here the guard welcomes you to alight from the train. Watch the signals change, see the engine running past before coupling back to the carriages. We're now ready to take you to our all-weather railway heritage centre, where plenty of attractions await children and adults alike.

GELERT'S FARM

All trains stop over at the halt here and you are invited to visit our indoor hands-on museum and our main train shed. All called after a farm because that's what was here back in the day!

You can climb on to the footplate of a real steam locomotive, explore the exhibits and ride the runaway train! See a little of the history of the railways of the area and how Porthmadog helped to bring narrow gauge railways to the world.

On the outside, 'children' of all ages can enjoy a ride on our miniature railway (subject to availability). There are plenty of surprises for you to discover.

We then return to Porthmadog (WHHR) Station, in just under an hour after departing. Don't forget that you can do it all again, your ticket lasts all day!

KEEPING OUR HERITAGE ALIVE

Our railway is mostly run by volunteers from all over Great Britain and even further. What they all have in common is the enthusiasm for the Welsh Highland Heritage Railway.

Have you ever considered donating a little of your time?

We are seeking volunteers in many areas, from running our trains during the operating season to winter maintenance such as painting carriages, maintaining trackwork, spring cleaning and refreshing the museum to name a few. We also host various working weeks throughout the year.

To help cover the cost of running the trains and the museum we also depend on donations. Please keep an eye open for opportunities to contribute!
